Nuts NEWS

Nuts tests milking!

People! Emptying cows! Over their heads!

WORDS: ANDY JONES PHOTOS: CATERERS, COLIN WILLIAMS

→ WE LOVE students, mostly because they've made procrastination a fine art form. So instead of sticking their noses in books, they're out planking, owling and now, it turns out, milking! Helpfully, here's Chloe to show you how!

STEP 1: HANDLING MILK BOTTLE

You need a four pint-sized milk carton. Avoid glass bottles – we're "milking", not "visit-to-casualty-ing".

It was the most surreal *Strictly* routine yet

Four bulls later and the stunt prep was ready

Trafalgar Square's new fountain was a crowd pleaser

WATCH THE DAIRY DAFTNESS!

See Newcastle students' internet video sensation at nuts.co.uk/spambank now!

STEP 2: OPEN LID

You'll need a confident, swift wrist-turning action here. You don't want a false start to your milking!

STEP 3: START POURING

Real showmen go for a drenching from the off. The more refined start with a trickle. Explore milking styles!

So many caption
options. So many
potential visits to HR!

MILKY BOOBS!

STEP 4: ABSOLUTELY DRENCHED!

Now you'll feel like a cornflake! With 300mg of calcium per cup of milk, imagine how much is in your shoes!

Tesco had
delivered the best
home shop ever!

VERDICT!

Easy to do, inexpensive and fun. It's a creamy craze that's here to stay!

The LA Auto Show

Supercars and silly cars from the all-Hollywood motor show!

→ ONCE AGAIN, our car chap takes one for the team, heading off to Lala Land to stroll around a convention centre, poking the newest, sexiest hot metal the car industry has to offer. Here's his take on the Los Angeles Auto Show. We'll pull out a few of his toenails when he gets back, for balance.

HONDA EV-STER

Honda's stab at a non-rubbish-looking electric coupé, this is a lightweight two-seater with a 100-mile range and a three-hour full charge. Power goes to the rear wheels, so it should be fun to throw about.

0-62mph: around 9 secs **Top speed:** TBC **Price:** TBC

DODGE CHARGER DAYTONA

This Daytona edition receives gearbox paddles, 20in polished hoops with gloss black pockets, satin black grille and bonnet scallops. Inside there are blue stitched Daytona seats and a numbered dash plaque.

0-62mph: 6 secs **Top speed:** 146mph **Price:** £33,000 (private import only)

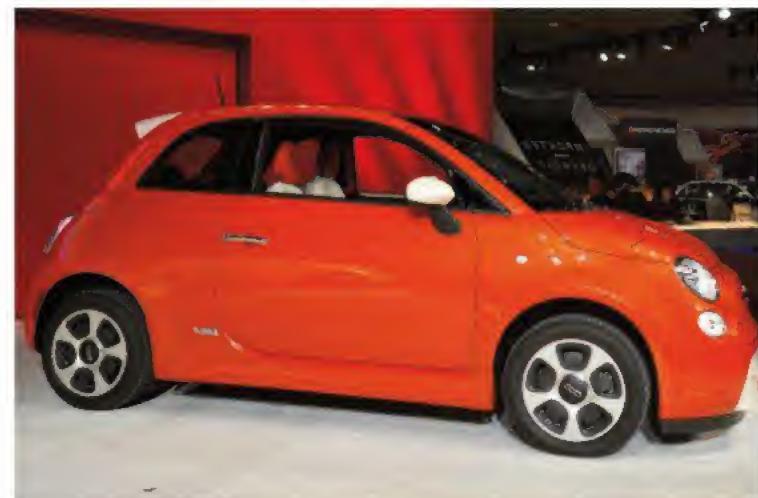

PUKKA PORSCHE!

PORSCHE CAYMAN S

The totally revamped Cayman is now 30kg lighter with a 40 per cent stiffer body shell, and has the choice of 2.7 or 3.4-litre flat-six engines. It's longer and faster than ever. Remind us why we want a 911 again?

0-62mph: 4.9 secs **Top speed:** 176mph **Price:** from £39,694

FIAT 500E

Fiat have sold one million 500s since reinventing the car back in 2007. The 500E is their brand-new all-leccy version, which the Italian firm claims is "environmentally sexy". Righto.

0-62mph: 9.0 secs **Top speed:** 80mph-ish **Price:** around £16k

MOSLER MT900 GTR XX "LAND SHARK"

This road-legal race car, based on a Corvette V8, has been tinkered with so it can do 320mph! Even better, the engine runs on compressed natural gas (hydrogen, methanol or nitrous) allowing it to be registered in California as a hybrid.

0-62mph: 2.5 secs **Top speed:** 320mph **Price:** around £400,000

MERC ENER-G-FORCE CONCEPT

Every year, Los Angeles holds a design competition, and this year the theme was eco-themed law-enforcement vehicles for the year 2025. Mercedes' response was this futuristic enforcer with a hydrogen fuel cell and 360-degree cameras.

0-62mph: N/A **Top speed:** N/A **Price:** £1million. If it was for sale. Which it isn't. ►

LAMBORGHINI AVENTADOR ROADSTER

Unveiled by Lambo just two weeks ago, this was the first time humans got to look at the world's prettiest chop-top in the flesh – at an exclusive, invite-only event miles from the show. We're sure the canapés were excellent.

0-62mph: 3 secs **Top speed:** 217mph **Price:** £290,000

Nuts NEWS

MERCEDES SLS AMG BLACK SERIES

"The ultimate expression of what happens when we let our engineers go crazy," is how AMG describe the "Black" SLS. Sitting lower and boasting an adjustable carbon rear wing, this gullwinged brute weighs 70kg less but has 60bhp more.

VOLVO S60 POLESTAR

Volvo thinks this is the super saloon to give BMW's M5 a firm slap. The S60's 3.0-litre engine has been reworked to develop 508bhp – 200 more than the standard version. The result? A Volvo that does 0-62 inside four seconds. Wowzers.

0-62mph: 3.9 secs **Top speed:** 186mph **Price:** around £50,000

SMART FORJEREMY CONCEPT

Wacky fashion designer Jeremy Scott got to build his own Smart car. This is the result – a 100 per cent electric ForTwo with decorative wings. Those are rubbish, but the U-shaped steering wheel and white/chrome detailed wheels are cool.

0-62mph: 11.5 secs **Top speed:** 78mph **Price:** TBC

CAMPAGNA V13R

This radical Canadian-built contraption drives the fat 295/35/18 single rear wheel with a 1,250cc Harley Davidson V-rod motorbike engine. It may have only 125bhp but it weighs just 475kg. Spoked wheels and military paint job are optional.

0-62mph: 3 secs **Top speed:** TBC **Price:** around £36,000

GALPIN AUTO SPORTS 1966 FORD BRONCO HI-RISE

A classic off-roader resurrected, this little topless Ford Bronco has been rebuilt in Gulf Fuel colours with full roll cage and balloon mud tyres. That should be enough to cope with even a Welsh winter. Probably.

Specs and Price: on application

BMW i3 CONCEPT COUPE

From 2013, BMW will be rolling out a whole range of pure electric cars, and the i3 coupé is its best looker yet. It's also one that the firm is 90 per cent certain to build. It has a range of 100 miles and pushes 170bhp to the back wheels.

Road house!

Plucky duck farmer tells Chinese developers to do one!

→ **IF THERE** was an award for world's most stubborn git, Luo Baogen would be 2012's winner hands down. The 67-year-old duck farmer from Wenling, China, had just spent £60,000 building his home when authorities told him they were planning to build a road through it. The compensation? A third of what he'd just forked out. So Luo said no.

That was in 2007. Since then, Luo's neighbourhood's been demolished to make way for the road, with only his home left standing.

Planners no doubt believe Luo will give in later this year when the traffic starts rolling past his door. We reckon the bloody-minded old boy's more likely to just flick them the Vs and open a drive-through takeaway!

He'd gone a bit overboard on his driveway

**"And just like that,
the hurricane placed
my house gently here!"**

Look! Lacey B's calendar!

It's Ms Banghard's date-filled pic book!

→ **YOU HAVE** to hand it to *Nuts* lovely Lacey.

Her attention to detail is admirable. Having spent an inordinate amount of planning, prep and putting the studio hours in (we've been to a lot of these, and trust us, they're like shifts assembling iPads), she decided that her 2013 calendar just wasn't sexy enough.

So the booby trooper got back into the studio, out of her clothes and snapped a whole new, sexier version for our delectation. Dedication like that surely deserves a square foot of your wall space? Come on, chaps, give art a chance!

WORDS: RORY BUCKERIDGE

BOOBY BANGHARD!

EXCLUSIVE!

A quick word with Keith Lemon!

Our pal Keith on Kelly, kangaroos, facial hair and “little Keith”!

→ Hi Keith! Your movie, *Keith Lemon: The Film*, is out on DVD soon. Are there any bloopers of your moustache falling into Kelly's cleavage? It's impossible for facial hair to fall off unless it's fake. Luckily I have the power of all men and can grow a real 'tache. What you do see is a lot more pink bits than at the cinema. They've made it an 18. I thought 15-year-olds were all right with tits, but the people who do the certificates said if tits touch your eyes, it's 18. So the DVD's 18 because the pixels have been taken off and the tits go right into my eyes.

Who would you most like to stay in for a cosy night under the duvet watching a good film with?

Kelly Brook would be good because we'd go, "Look at us acting. Aren't we good?" And then I'd say, "I'm good at sex as well," and then I'd f**k her.

Your book, *Being Keith*, is out now. In what ways is it similar to *Fifty Shades Of Grey*?

It's similar to *Fifty Shades Of Grey* when I talk about all girls who I've fingerblasted and motted out. I wished I had time to do a spoof of *Fifty Shades*, but I'd already started writing my autobiography and I couldn't be bothered to start again. I hope people like it as it's got lots of drawings and pictures from my phone.

Why didn't you call your book something clever like *Sucking Pith or Fifty Shades Of Lemon*?

You know *The Amazing Spider-Man*? That's called *The Amazing Spider-Man* because it's about an amazing spider-man. My book's about being me so that's why I thought I'd call it *Being Keith*. People haven't got time

"I'll never work out this bloody *Countdown* conundrum"

to think. They'll look at it and go, "Being Keith? I'll get it for a friend who hates him." "You f**king hate Keith Lemon – I've bought you that book."

How's filming going on *Lemon La Vida Loca*, your reality show?

We're filming the Christmas special – *Merry Keithmas!* We had a Christmas party a few weeks ago. I thought, "This ain't real – it's not Christmas." They said, "It's going out at Christmas so we need to film it now." So we invited some celebrities. Bono from U2, Bobby Gillespie from Primal Scream, Ian Brown from the Stone Roses and George Michael said no. So we got Brian Belo from *Big Brother*, Lauren Goodger from *TOWIE* and Claire Sweeney. Brian Belo got so p**sed he puked.

You've also done a 2013 calendar. Why would *Nuts* readers prefer that hanging in their kitchens to Lucy Pinder?

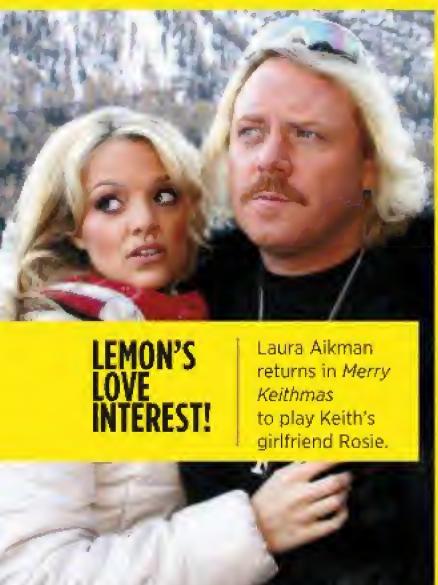

A *Nuts* reader would probably buy the calendar for his girlfriend so she can slap vigorously while he's out at work bringing in the money to put food on the table.

Have you ever considered plastic surgery?

I've had plastic surgery on my penis to make it bigger. I had really low self-esteem because I had a maggot willy. Then I had it made bigger and I feel a lot more confident.

What about your balls?

My balls have always been normal sized, but my d*ck was right small. I feel on top of the world.

LEMON'S LOVE INTEREST!

Laura Aikman returns in *Merry Keithmas* to play Keith's girlfriend Rosie.

"Roman, you still want me in next week, right? OK!"

"I'd rather chop my d*ck off than go on *I'm A Celebrity!*"
Keith Lemon

Next up there's another DVD, *Celebrity Juice - Too Juicy For TV 2*. Isn't most of *Celebrity Juice* too juicy anyway?

That's why we have a DVD with extra bits. You can only have a couple of "c**ts" and they'll make you an 18, which alienates our younger viewers, who enjoy *Celebrity Juice* but also enjoy the word "c**t". So we've only put one "c**t" in.

Would you ever go on *I'm A Celebrity...*?

I'd chop my d*ck off and shove it up my arse before I do that. Saying that, if it all goes tits up, I'll go in that jungle and eat kangaroo arse.

● *Lemon La Vida Loca: Merry Keithmas!*, ITV2, 4 and 5 Dec. *A Celebrity Juicemas Carol*, ITV2, 13 and 20 Dec.

10 Rafa Benitez jokes!

Football funnies at the expense of Chelsea's interim manager, sent in by *Nuts* readers...

1 Rafa Benitez has been sacked as Chelsea manager for failing to win anything since taking over this morning!

ROB Reading

2 Roman Abramovich has promised to give Rafa two full seasons: winter and spring.

JULIO Liverpool

3 The Premier Inn near Chelsea has renamed the top-floor room the Rafael Benitez Suite, as it's perfect for short stays.

DARRYL Birmingham

4 Loud boos at Stamford Bridge for Rafa Benitez? Abramovich should sack the 40,000 fans and bring in interim fans!

JAVIER Harlow

5 Rafa's in bed with his wife and falls asleep. Suddenly, he wakes up with her bum in his face.

"What the f**k!" he yells, scrambling away from her. "I thought you liked it?" said Maria.

"No, I told you I was interrimming!" he replies.

GERALD Portsmouth

6 Apparently, the decision by Chelsea to sack Di Matteo was made after the team's failure to win an Olympic diving gold medal, Wimbledon, the Ashes and the Grand National.

RUSSELL St Austell

7 Roman Abramovich can afford to hire and fire managers due to saving so much money on Torres' goal bonuses.

PAUL Liverpool

8 It's predicted that by 2025 you'll be no more than six feet away from an ex-Chelsea manager.

NICHOLAS London

9 After Benitez, Chelsea hope to offer their next manager a long, four-month contract.

Dead Island: *Riptide* – first look!

The zombies are invading
the tropical paradise. Again!

→ **THERE'S NOTHING** worse than booking a holiday on a tropical island, only to find it overrun with brain-chomping zombies. Twice! But that's the pitch for zombie shooter *Dead Island*'s sequel, *Riptide* finds you stranded on the new paradise island of Palanai, right after the events of the first game. Here's what to expect.

And that's when
the Harrods sale
turned nasty...

NEW ENEMIES!

Drowner zombies are floaters who will attack if you canoe near them. Also new are the Scar (a beefier version of *Dead Island*'s Thug) and the Grenadier, which throws bits of itself at you. Nice!

NEW GAMEPLAY!

Riptide features defence missions where you and your chums fortify areas with fences and mines, then fight off attacks from armies of the undead. Trust us, it'll be utterly frantic.

NEW WEAPONS!

All new mines will have different varieties of zombie-killing, but you'll also pick up schematics for loads of weapon upgrades that the developer gleefully labels "Mad Max-ian"!

Under the new rules, the Oxford vs Cambridge Boat Race was much more fun

Plus! Bungie's new game!

Since finishing *Halo: Reach* in 2009, developer Bungie has been suspiciously quiet. Until concept art for its new game – *Destiny* – bobbed up on the internet. The story is set 700 years from now, when a huge, alien ship reaches Earth, full of monsters who probably don't want to give us a cuddle! Apart from admitting the images are real, Bungie would say no more. Boo!

Half-cooked monkey!

Docs remove an unborn monkey. Then pop it back!

→ **FIRST THINGS**
first: this wee monkey is absolutely fine. And it's an incredible story. Docs at an Oregon hospital were carrying out a study to see if it was possible to remove a foetus for medical reasons. Then put it back in the womb.

They unzipped a preggers rhesus monkey, took the half-cooked baby out, did some tests, then popped the wee fella back in. Hey presto! A few weeks later, the porky primate gave birth to a bouncing baby monkey, in fine fettle. Amazing!

LETTER OF THE WEEK!

Sexy prezzie?

I'm thinking about what to get my other half for Christmas and would love something sexy for us both. Any suggestions?

JOE Nottingham

Taking her out to dinner, putting the lid down on the toilet... These things could be sexy enough! If you're both adventurous, buy two exclusive tickets to a Christmas sex party. If this is too exotic, keep the sex for yourselves and book a weekend away in a nice hotel.

Sad singleton!

I can't seem to handle being single. Relationships have been rubbish for me lately, and I've had two break-ups this year. My mates say being single is good for me, but I just freak out and jump into a new relationship. How can I be happy alone?

CARL London

NOT GETTING MUCH LATELY? WHY NOT TRY YOUR LUCK AT WWW.NUTS.CO.UK/DATE

She's a biter!

The girl I'm seeing bites my neck during sex and it hurts like hell. How can I stop it without sounding like a prude?

CRAIG Leeds

Think like an animal and bite her back. It'll put her on the receiving end and she should understand. If not, make a point to soften and slow down intercourse. Don't spank her – stroke her. Don't nibble her earlobe – give her a gentle lick. Putting these actions into place will calm her down and biting won't be instinctive. Some girls bite down when sex hurts, so be conscious of how deep you enter her.

- If you've got something to ask Danni, just email her at thelesbian@nutchmagazine.co.uk or write to her at the usual *Nuts* address on p64.

ILLUSTRATION: BILL MC CONKEY

How do I 'wet' her appetite?

I always read about how it's important to make a girl wet before sex, but this never seems to happen to my missus. Am I doing something wrong?

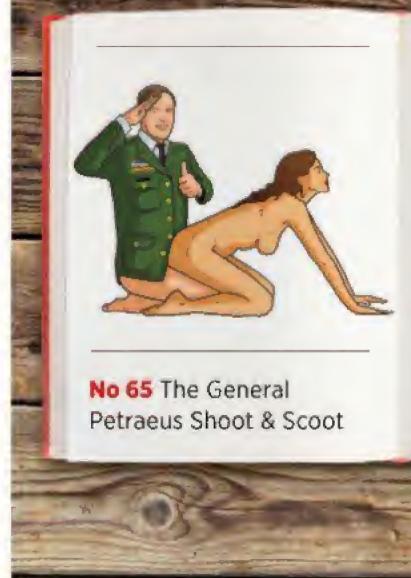

ANON via email

You don't mention her age, which could affect the advice I give you. If she's mature, dryness can be normal. Are you having intercourse or are you just asking, "Are you wet yet?" I suggest you plan a night in. Put your arms around her, touch the back of her neck, kiss her all over her body and she'll be wet with sexual frustration. Take your time, tease her and show her you enjoy it.

Carl, you're unique. Most men freak out in a relationship, not the other way around. Your mates are right, singleness will be good for you. Set yourself

a task to be in a relationship with yourself. Cook yourself a healthy dinner, buy yourself some new clothes and learn to enjoy your own company.

Here's Summer!

Meet the sexy newbie here to brighten up winter!

SUMMER ST CLAIRE

SUMMER ST CLAIRE

“I’m a pole dancer – it’s a good skill to have in the bedroom!”

Hi Summer! Are you excited to be doing your first *Nuts* shoot?

Hello! Yes, I love it. I felt great all styled in black lingerie. It makes me feel very sexy. I don't normally wear black so it's nice to have a change.

How does it feel to be in *Nuts*?

Amazing! *Nuts* is the magazine that made me want to be a glamour model. I saw Jennifer Clark from *Big Brother* and thought, "I really want to do that." I just thought she stuck to her opinions and I admire that. And I've been working towards it ever since.

Have you any hidden talents?

I used to be a gymnast and I've recently taken up pole dancing. I can do the splits, walkovers and lots of bendy things on the floor. They're good skills to have in the bedroom!

If we were to take you anywhere for your next shoot, where would you go and who would you like to do it with?

It'd be with Keeley Hazell and I'd go somewhere really hot, like Italy. I just think she's stunning and has this really sexy aura about her.

When was the last time you were topless in public?

I went topless in Ibiza this year. The reactions from the men were quite entertaining. They all stopped and stared!

Describe your ideal first date.

Nothing boring! I don't want the traditional dinner or cinema. I'd like to do go-karting, or go to a football match or something like that. No one has ever taken to me to anything like that on a first date. I want to go!

Thanks, Summer! Finally, what's the rudest thing about you?

I once had sex in a car park! I like the risk – it's better than doing it in a house. It's far more fun knowing you might be caught!

WILL.I.AM!

WILL.I.AM!

THE STAR ON TWEETING, OBAMA, PRINCE WILLIAM AND CHERYL COLE'S BOOBS!

HI Will.i.am! There aren't actually any full stops in William. For example, Prince William. Or did you look at H.R.H. The Prince Of Wales and get confused? [Looks baffled] I met Prince William at the Jubilee Concert.

You did! You wore a nice red royal military jacket. Where did you get it? I had it made. I was doing *The Voice* and there was this old-school British official person backstage. I said, "I want that jacket."

Did you call Prince William, "Prince Will.i.am"? I called him Taller Will.i.am. I felt really tiny. He's a proper giant.

You carried the Olympic torch through Taunton. Did you worry you'd drop it or set fire to your beard? No. I wasn't going to drop it. I had a proper grip. [Gets out phone] Check it out. I had the Olympic torch in one hand and my Blackberry Torch in the other hand. I thought it was cool. That's why I was tweeting.

What did you tweet? [Checks phone] "My mum must be proud" and pictures of other people holding the torch.

You were caught tweeting 16 times during one episode of *The Voice*. Were the BBC cross? Times have changed. Kids watch TV with their phone or their tablet or their laptop. I wanted to connect

with people. I had to explain to the people at the BBC, "It may seem hard but in the future it's going to be normal."

Yeah, but how would you like it if we came to a Black Eyed Peas concert and tweeted all the way through? That's the point. Something happens and you're like, "Wow!" Somebody would come on stage and I would see it before the camera. I'd tweet, "Look at those orange shoes!" They'd get it on their phone, then they'd see it on TV.

What if your mum had phoned when you were live on *The Voice*? Would you have answered? No. You turn your ringer off.

Oh, poor mum! You made Alan Carr's glasses steam up when you appeared on *Chatty Man*. He was talking about Cheryl Cole!

Have you ever suffered a wardrobe malfunction? Just normal things like my crotch zipper down.

What, your will.i.e? [Looks baffled] Er... ha!

Do you take precautions to ensure your glasses don't steam up on stage? No. Alan Carr's glasses are right on his freakin'

face. The glass touches his skin. I said to him, "You need glasses that don't touch your face, 'cos when you wear them like this [pushes glasses up to face] they're going to fog up."

You know your song *My Humps*? What makes a nice lady lump?

It doesn't matter if it's big or small. Just as long as it makes me say, "Ah!"

Are you really chums with Barack Obama? He's too busy to have friends.

You named your song *Yes We Can* after his presidential campaign slogan. Did he send you a Christmas card to say thanks? He's too busy to send Christmas cards.

How about a Christmas tweet? He's too busy to tweet.

If there was nuclear oblivion, do you think he'd let you press the button? He's too busy to press buttons.

Er, thanks, Will.i.am. You've recorded a song with Cheryl where she raps. Do you think she's a good rapper? Yes, she's really good.

Did you give her lessons? No. I did it as an exercise. A lot was happening so I kind of used it as therapy.

Everyone seems to think you're secretly going out with Cheryl. Are you? [Starts playing with phone again.]

Just touch your hat if you are. [Stares blankly.]

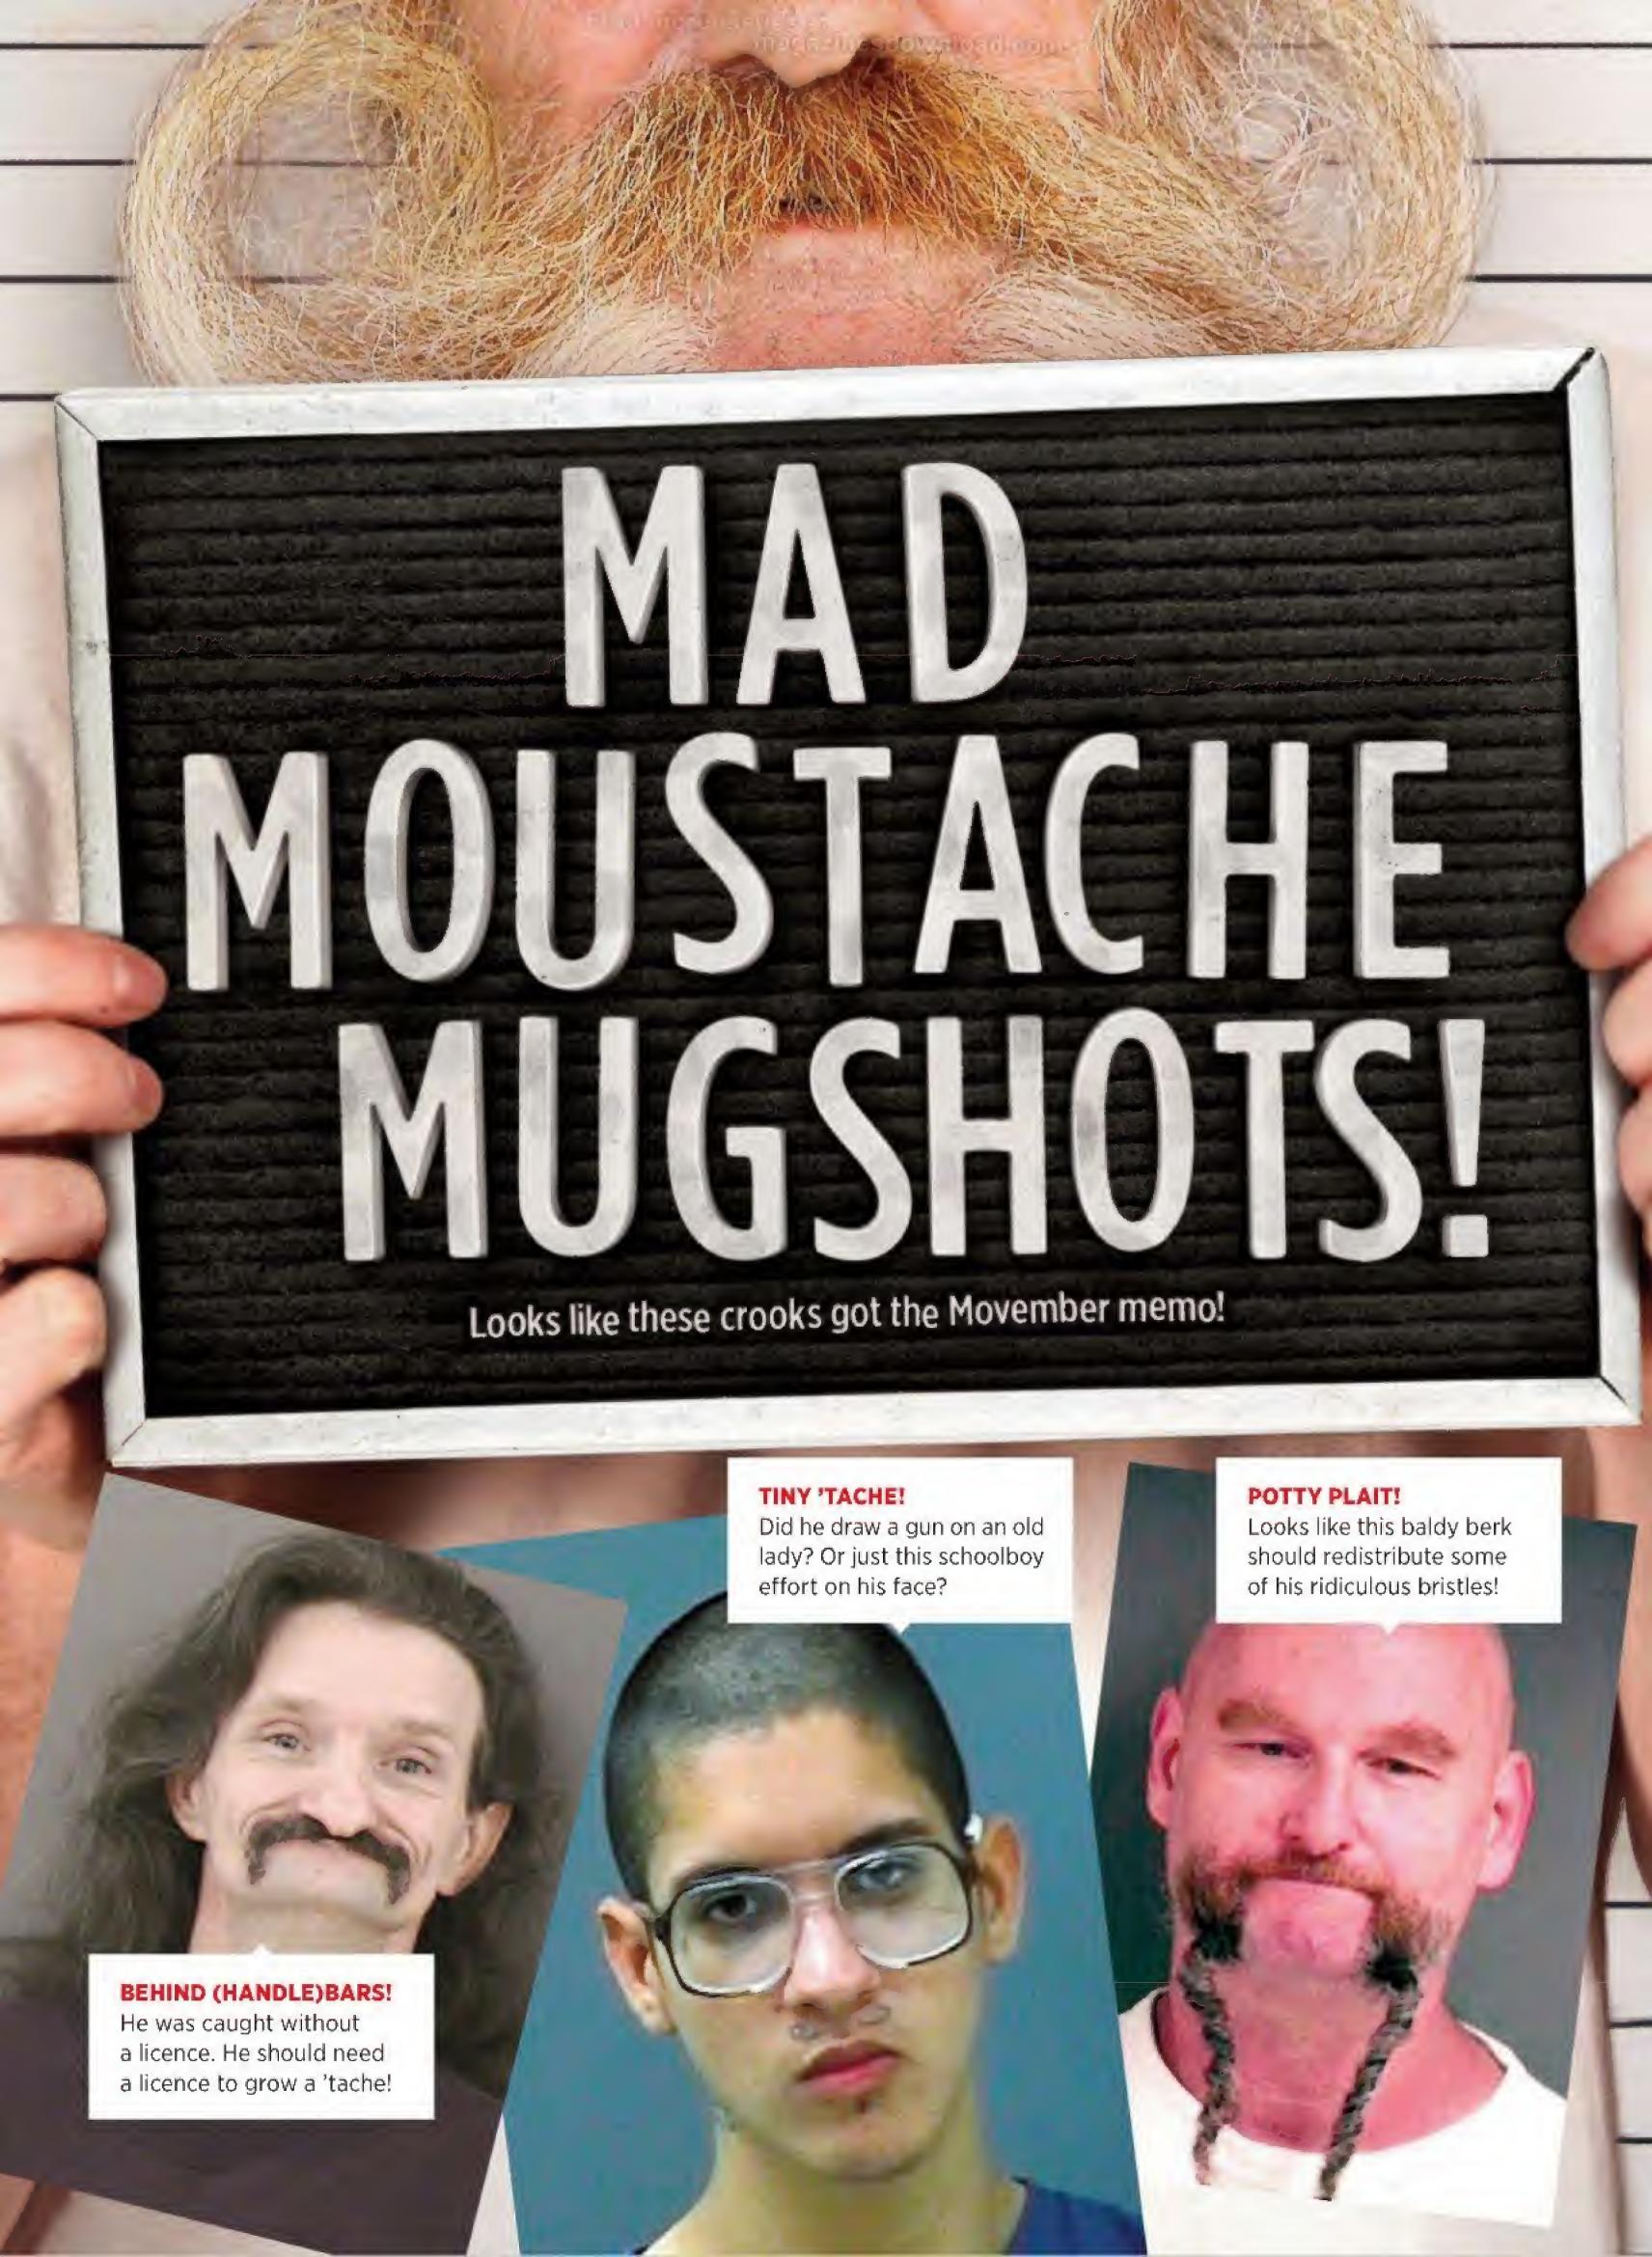

Or scratch your nose if you've touched her on the lady lumps. [Returns to phone. Nuts are escorted from the room.]

● Will.i.am's new album *#willpower* is out on 10 December.

Brazil's cities of death

Nuts explores the murderous reality of life on Brazil's poorest streets

NOVEMBER 2012. Brazil's biggest city, São Paulo, is plunged into chaos as gangsters and cops embark on an orgy of killing which sees 140 people murdered in the space of just two weeks.

This is supposedly a country on the up. As the sixth largest economy in the world, Brazil will spend years under the global spotlight until after it hosts the 2014 World Cup and the 2016 Olympics. There's just one problem: it's one of the most deadly places on Earth, with gangs and police stuck in a cycle of slaughter leaving thousands a year dead. Only Colombia and Venezuela have a higher murder rate in South America.

São Paulo is not alone. The northern city of Maceió has become the murder

capital of the country while Rio de Janeiro, traditionally the most violent city in Brazil, is trying to change the impoverished conditions that allow crime to flourish. Murders are down but remain at levels unthinkable in Europe. So what's the reason for this bloodshed?

The answer is drugs – and one in particular. Brazil is the world's largest consumer of crack cocaine. The crack market is simply too lucrative for criminals to ignore. And they're willing to kill to take control and get their share of the profits.

• São Paulo

São Paulo – population 11 million – has been making headlines for the wrong reasons in November. The city's most influential gang is the ruthless Primeiro Comando da Capital (PCC), which has controlled the drugs trade there since its formation in 1993.

For years the PCC were seen as peacemakers in the city, helping to keep crime down owing to their total domination of the streets. But crackdowns by the police led to PCC resentment and the targeting of cops. This year alone, 92 policemen have been gunned down by the PCC – murders often ordered by gangsters in jail. Overall, 982 people were killed in the first nine months of 2012.

The PCC is run like a legitimate organisation with members, called "brothers", paying a monthly fee of around \$270 (£170) – used by the gang to buy weapons and drugs, and to finance bail for members under prosecution. Each PCC soldier also has to swear an oath of loyalty, and once a member has joined, leaving's not an option.

• Rio de Janeiro

One of the most beautiful cities in the world, but also one with terrible levels of inequality, Rio has been plagued by gang violence since the early '70s. Unsurprisingly, the gangs dominate the favelas – the slums that cling to the city's hillsides.

The main criminal gang is the Commando Vermelho, formed in the '70s when left-wing revolutionaries were put

Gang members
dominate the favelas
of Rio de Janeiro

in jail by the right-wing government of the time. Once imprisoned, they got together with other criminals and on release used guerrilla tactics to take over areas of the city just as cocaine use exploded and with it, the chance to make previously unimaginable amounts of money.

Its enemies are the Terceiro Comando Puro and the Amigos dos Amigos, which vie for control of the drugs trade with the Commando Vermelho, though all three gangs have been hit by the city's "pacification" programme, which has helped to reduce Rio's murder rate.

Instead of fighting it out with the criminals on the streets, the Special Police Operations Battalion now swamp an area, drive out the gangsters and set up community projects. But with only 19 out of 130 favelas pacified, it's a long journey – especially when a teenage boy can earn almost £1,000 a week working for a gang.

The murder rate may now have reduced since its '90s peak, but the ruthlessness of the gangs shows no sign of abating – only last month, traffickers threatened to kill one of the battalion's most successful cops – a sniffer dog named Boss!

• Maceió

With an enviable position in Brazil's tropics and miles of sandy beaches, the capital of the Alagoas province should be a paradise on Earth. But it has Brazil's highest murder rate and many of the locals get killed by the most horrific means. With 104 out of every 100,000 people dying violently there, the city's been transformed by the huge numbers of crack addicts in the population.

Whereas Rio and São Paulo are controlled by mafia-like organisations, in contrast, Macieó is murderously chaotic, with addicts and dealers known to shoot each other over debts of a few dollars. One man recently told the AFP news agency he'd lost five of his sons this way. Their highest unpaid debt? The equivalent of just £20.

Local police, for years underfunded and disorganised, have been powerless to stop the whopping 185 per cent increase in killings over the last ten years, while rumours of corruption at local government level refuse to go away. Funding is on its way, but it's too little, too late for a city where a culture of murder is the norm. 

Rosie Jones!

It's freezing outside, so come and snuggle up with this seriously sexy lady!

ROSIE JONES

**“A bit of cold
weather never
stops me
going out!”**

H

I Rosie! Are you keeping suitably cosy now that it's winter?

Hello! I've actually just been on a last-minute holiday, so I'm not enjoying the descent into winter at all! I'm definitely a summer girl. I will embrace winter eventually, though. I like the buzz around Christmas.

What's the best way to keep snug on these chilly nights?

Get in some lovely winter food like pie, mash and gravy and then head for lots of cuddles in bed, watching films. Perfect.

What's a sexy winter look on a girl?

I love girls in woolly hats. Especially if they're wearing nothing else!

In winter, are you a "night on the tiles" or "cosy night in" kind of girl?

Oh, a bit of cold weather never stops me going out! So I'm still, as always, a "night on the tiles" girl. I do love a cosy night in with films and a takeaway, too. That's for weekdays and Sundays though.

What's the last really great box set you got into?

The last one I got into was 24. I absolutely love Jack Bauer. I started it ages ago and used to not want to leave the house so I could watch it. There are a lot of series, though, so I'm still on it. Can *Nuts* readers tweet me any recommendations for my next box set obsession, please?

Over to you, readers! What's the naughtiest thing you've ever got up to with your fellow *Nuts* babes?

Me, India Reynolds and Holly Peers ordered loads of food from a hotel restaurant when we'd had loads to drink, but then ►

ROSIE JONES

**“Everyone’s
more
generous
with their
love at
Christmas!”**

did a runner without paying. What we didn't realise was the waitress had our room number. We then had an angry lady ringing India's room saying, "Miss Reynolds, I've just watched you run out of the restaurant and we will be billing your room!"

Blimey! What advice would you give to a chap who wants to pull at his office Christmas party?

Don't get really drunk and snog your boss or co-worker, as it's always awkward the next day in the office. But I do think everyone's more generous with their love around Christmas time, so you might just be lucky!

What's a great party look on a bloke?

If a man smells amazing he's halfway there – I love Armani Code the most. For most girls, just make sure you're clean and wearing a bit of nice aftershave. Zara do quite nice, cheapish ones. Also, if you can't dance, don't get drunk enough to try!

Which celeb would you love to meet under the mistletoe?

Well, after seeing just one clip from the film *Magic Mike*, I'd have to say Channing Tatum – he's amazing. I was on a shoot and the girls were telling me about it, so we watched one clip of him stripping on YouTube about 12 times!

Who's your hero of 2012?

Keith Lemon. I loved him already but then I worked with him when he did the *Nuts* takeover and realised he stays in character all the time and constantly makes jokes. Amazing!

What's been your favourite part of this year?

It was probably any of the days I spent in Ibiza this summer with Emma

**“Hopefully,
I’ll become
even
sexier
in 2013!”**

ROSIE JONES

**“The best way
to keep snug
in winter?
Cuddles
in bed!”**

ROSIE JONES

**“I’m becoming more
confident in my body,
which I think is sexy!”**

Glover and some other girls. All day partying on the beach with a Desperados in my hand – it doesn't get much better than that.

Do you think you have become sexier than ever in 2012?

Oh, I hope so! I'm growing up and becoming more confident in my body, which I think is sexy. Hopefully I'll become even sexier in 2013.

Speaking of next year, who's got the sexiest 2013 calendar?

I really like India's this year. She looks hot, as usual. But all the girls look amazing – Arabella's calendar looks good, too. I love a sexy girl with tats and they don't come sexier than Arabella.

If you could create a new public holiday for next year, what would it be?

"National Men Be Slaves To Their Women Day" obviously! It's hard work being a lady so we could do with some help doing our nails or shaving our legs.

What would you cook for us if we came around to yours for dinner tonight?

I'd cook you a Christmas dinner, because everyone loves that, don't they? Even if it's not Christmas yet! I'd get you really drunk first so you thought my food was amazing, and I might even have a first attempt at making a cheesecake.

See you at teatime! Thanks for the chat, Rosie. Finally, if the world does end this month, as the ancient Mayans predicted, what's the one thing you want to have achieved before then?

To be honest, I just wanted to have a nice holiday before the world ended so I'll be quite happy. Also, I'd like one last big night out with everyone I love too, please!

CONFESION OF THE WEEK!

'The three of us got naked'

I WORK as a stripper and I was reaching the end of a shift recently when a colleague and I started talking to a Royal Marine who wanted us to sneak back to his barracks. We parked up, then we went up to his room and started kissing each other before he'd shut the door. Before long, I was bent over with him taking me hard from behind and my face between her legs. Eventually, we finished and sneaked out without getting caught, but we were so horny that she came back to mine and we had hours more fun using my sex toys!

Candice Manchester

'Our fun in the pub'

MY BOYFRIEND and I like to go out on a Sunday afternoon for a few cheeky

beers, and last weekend we got a bit frisky in the taxi on our way to the village pub. The touching and teasing turned us both on and he kept whispering naughty things in my ear. As we nipped into the

pub, he dared me to take my panties off in the ladies. I think he was shocked and pleasantly surprised when I sat down at the table and showed him my knickers in my handbag! He moved right next to me at the table and within a minute or so was sliding his hand up my thigh. I opened my legs to let him reach further and he was soon stroking me to heaven!

Jennifer Devon

'We spiced up curry night'

ONE SATURDAY night recently, my man and I decided to have a romantic night in. After having a relaxing bath I phoned for a curry. Just as I put the phone down, my towel slipped off and my man wasted no time coming over and kissing me passionately. Before I knew it, he'd taken me from behind and we were going for it hard and fast. I was so turned on that I screamed out in delight as I came. When the food arrived, the delivery man had a big grin on his face.

When I asked him why he was so happy, he said, "You should make sure you hang the phone up, dear!" I was so embarrassed that I couldn't shut the door fast enough and we collapsed laughing. I've not used the same place again!

'He took my thong off'

ONE SATURDAY recently, my boyfriend asked me to watch him play rugby. After the match, I was waiting for him to come out of the changing rooms when he sent me a text, saying, "I've just got out of the shower – come and get me!" I nipped into the changing room and found him naked on one of the benches. It felt so naughty being in there with him – I was instantly turned on and straddled him on the bench. He pulled down my top and began warming my hard nipples with his hot, wet mouth. He pulled my skirt up and my thong down and we had steaming sex on the team bench. I came in seconds, which was just as well because one of his team-mates popped back into the changing room as he'd forgotten his kit bag!

10 RUDE QUESTIONS!

And a real girl to answer them!

Micky Lou

20 Nottingham

1 Where's the strangest place you've had sex?

"I did it in a tent once with my boyfriend. There were people in other tents close by but we soon didn't care if they could hear or not!"

2 What's your trademark move in the bedroom?

"I love dressing up! I always aim to make an event of the occasion. I love wearing really sexy, classy underwear for the right guy. Then I throw in a bit of role play just to spice it up even more!"

3 What turns you on in the bedroom?

"I love having my neck kissed and being led by the hand into my bedroom by a guy who's strong but also respectful."

4 What's your favourite position?

"I'm quite experimental. I think it's important to try different positions to keep it interesting – I do love reversal cowgirl though."

5 Is it better to give or to receive?

"I like to give because that puts me in control – it's nice to be the boss!"

6 What one thing would you like to try but haven't yet?

"Sex on a beach. I've never done it. It'd be lovely to try it somewhere tropical and have a guy take me by the hand on to the sand and give me lots of attention."

7 Ever gone it on with another girl?

"No, but I'd never say never! It'd have to be the right girl, but I could be persuaded."

8 What's your role-playing costume of choice?

"My PVC policewoman's uniform. I love how tight it fits. The handcuffs are the best bit – I always feel very dominant!"

9 Have you ever made a sex tape?

"No. I just think any guy who's going out with me should be happy to have me in the flesh. If a guy's going to have sex with me it should be special!"

10 What's the rudest thing you've done?

"Me and my boyfriend were driving home after a night out, pulled over in a field behind some houses and were very inappropriate!"

"It's good to try lots of different positions!"

MANCHESTER DERBY SPECIAL!

Kompany: 'There's a special heat to this match!'

The City captain on leadership, Roberto Mancini, the Champions League and beating United!

Hi Vincent! What's all this we're hearing about Man City being a divided camp?

There's so much talk around football that it's difficult to get the truth across. I don't like to respond to accusations but sometimes you have to. But if people try to divide us, we'll just get stronger.

So morale's good?

Of course. We can play better, but we're in a healthy position. People create stories out of nothing but I'm the captain and trust me, I know what's happening in my club.

But you've received such criticism, especially after your Champions League exit.
Criticism's OK if it's fair and based on reality. Our

opportunity to be Champions of Europe will come again and eventually we'll improve and achieve our dream.

Is manager Roberto Mancini under pressure?

No.

What's he like to work for?

He demands the best. He's never satisfied. He wants everyone to be better every game. This is a good thing, yes?

What can we expect from the Manchester derby?

Two teams fully committed, fighting for everything. There's a special heat to this match, not just because we're local rivals but because we're challenging toe-to-toe for the title. There's respect between the teams, I hope!

You're one of the more admired footballers in the game. What sets you apart?

I don't think I'm special. I've studied business and I have interests outside football which may give me a different perspective, but I'm a footballer and proud to be so.

What does Manchester City mean to you?

This is my club. People forget that I was here from the very beginning. I feel the responsibility to the fans and what this project means to them. I feel the same passion. I hope to give more of myself in the next few years so we can reach our mutual goals.

What's your captaincy style?

I try to set an example through performances. And if

someone needs an arm round them or needs to be told about what's expected, I'll do that. But we're a group of talented, experienced and professional individuals. We all know what we need to do to take this club forward.

Will the winner of the derby decide who'll win the title?

It's way too early for that kind of talk. The rivalry's healthy and I hope we'll see a good game. We have no fear. These are the games any footballer should live for.

So it's a win for City?

We have a culture of winning here. To approach a game with an attitude other than that would be a letdown for our fans. We'll throw everything at the opposition.

"I haven't scored, I just like doing the aeroplane. Neeee-owww!"

Hernandez: 'Winning is everything!'

Man United's "Little Pea" on confidence, a winning mentality and playing against giants!

→ Hi Chicharito! You've returned to the Man United side with a bang. What's the secret?
I'm in a good situation at the moment. I had a good pre-season after some time off in the summer and this means I can now give everything physically to the team. The rest did me good because I'd played constant football – summer and winter – for a few years. My job is to score goals whenever I get an opportunity – this is now possible.

What went wrong last season?
I'll be honest, last season was a disappointment. But I try

not to get too upset by my performances because I had injuries which weren't my fault. I set high standards but if you're too critical of yourself, you lose confidence. Football is about confidence.

What did you learn from that?
That football is unforgiving! Man United are used to success and when it doesn't happen, everyone reacts. But there's no complaining. No extreme reaction. We use it as a positive.

What's the hardest thing for a striker in the Premier League?
The speed and the physical demands. I'm not the biggest

player so I must always have the right mental attitude when I play against giants! There's no hiding place.

So, what are you aiming for this season?

I've said before that I'd love to win the treble. That ambition still remains.

Man City stand in your way in the Premier League title race, though.

With the money they've spent and their fantastic players, they deserve our respect. Their manager also makes them a threat – he's a winner. Our manager is a legend of the game, too, though!

What do you think makes Man United the team best-placed to lift the title?

Man United is a club that's used to winning. The expectation of the fans and the attitude of the players is geared towards that same goal. The squad has the right mix of youth and experience – the older ones set an example and the new guys learn pretty quickly what's expected if you play for United. Winning is normal for us. Nothing else is good enough.

● Man City vs Man United, Sky Sports 1/HD, Sunday 9 December, 1.30pm.

EXCLUSIVE!

Five ways England can win in India!

Chris Tremlett plots a path to glory!

→ ENGLAND SNATCHED

victory over India in the second Test to level the series at one all, but can they win the third match? England fast bowler Chris Tremlett believes they can. How? Let him explain...

● India vs England, Third Test, starts Wednesday 5 December, 3am, Sky Sports 1/HD

1

KEEP PIETERSEN HAPPY!

"His 186 in the first innings was one of the best of his career. He's his own man and plays with arrogance, but he uses that to his advantage at the crease. The England camp looks happy and he's very much part of that."

"Out of my way!
I'm dying for
the loo!"

"And that's why
we're never taking
him dancing again"

3

MAKE MORE OF MONTY!

"Monty's great, but he can be a bit of space cadet! Being in and out of the side can dent your confidence, but he's worked hard to improve all aspects of his game, including his batting and fielding."

4

PLAY SPINNERS!

"Bringing Monty Panesar in alongside Graham Swann has had a huge impact. The slow pitches out there make it harder for seam bowlers to get pace. Spin bowling is far better at making balls hard to play."

GREAT
BALLS OF FIRE!

Chris Tremlett
made his Test
cricket debut in
2007. Playing
against India.

"Quote me on that!"

This week's biggest match debaters!

"OK, I give up.
Where is
flipping Wally?"

2

IGNORE THE CROWD!

"You have to overcome the noise – not easy when 60,000 people are chanting Sachin Tendulkar's name! Fast bowlers must have strong body language or crowds sense weakness. You must make every ball a battle."

"Right, who glued the bat under my arm?"

5

ATTACK TENDULKAR!

"He's not playing well, but he'll decide when to retire. I faced him on my Test debut and his rep was certainly on my mind. But when I bowled against him last year, I was more confident – he was just another batsman."

"I don't have a clue what Benitez's brief is. But it's to win every game"

So you do have a clue, Ray Wilkins.

"I'm scared of spiders"

Spurs hardman Jermaine Defoe.

"Managers are judged on two things – results, players and signings"

That'll be three things, Charlie.

"I'm too intelligent to be a footballer"

Marseille mastermind Joey Barton.

"Victor Moses possesses pace and speed"

Which are the same thing, Jamie Redknapp.

"A draw was fair but it was unjustified" Is that really fair, John Arne Riise?

"I go to bed with my boxing gloves on"

Ricky Hatton is definitely not a self-pleaser.

**OD-ER SOUNDS
A BIT RUDE
CORNER!**

"Samaras brought himself off in the hole"

Steve Staunton on a pleasurable night for the Celtic striker.

"Leighton Baines' isn't as impressive as Michael Owen's. It's tickling Lawro from there"

Gary Lineker on an intimate Match Of The Day.

"You don't have to have a lot. It's just how you display it"

Chris Kamara's advice for bigging yourself up.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Torres! I want you to leap higher than the other chap"

'Rafa's got an impossible job!'

Chelsea were looking for a reason to sack Di Matteo!

→ **JUDGING BY** the reception he's had from Chelsea fans, I'd say Rafa Benitez has an impossible job at Stamford Bridge. Like Gary Megson at Bolton and Steve Kean at Blackburn, if the supporters don't want you, nothing will persuade them otherwise.

Blues fans dislike Benitez for some of the things he's said about them in the past,

but when you're managing a club, sticking up for your own team is what you do. What fans often don't understand is that for 90 per cent of managers and players, football's a job. The team you're in love with is the team you're playing for.

Rafa was waiting for Liverpool but he's not going to get his old job back. He'll probably be at Chelsea until

the end of the season when Roman Abramovich will try to get Pep Guardiola in.

Roberto Di Matteo gave Abramovich the trophy he'd always craved, so the very least he could have done was let him take the team to the Fifa World Club Cup.

The problem is that if Abramovich pulls the plug, they're finished. The fans understand that all too well.

Clattenburg cleared – and rightly so!

I WAS pleased to see that the racism accusation brought against Chelsea against Mark Clattenburg has been thrown out. I know Mark and one thing he's not is a racist.

The incident wouldn't have happened if Fernando Torres hadn't been sent off in the match against Man United, but instead of accepting the decision, Chelsea made a fuss.

It's obvious that something was lost in translation in the aftermath of the match, but I knew there was nothing in it.

We've mostly eradicated racism from the pitch and to an extent, the terraces. Even when people sing racist songs, 90 per cent don't mean it – they're just joining in with the ten per cent who start them. It's time to move on.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

THE DONS ARE BACK!
In just ten years, AFC Wimbledon have gone from nothing to a League Two side. Playing previous incarnation MK Dons in the FA Cup shows just what can be achieved.

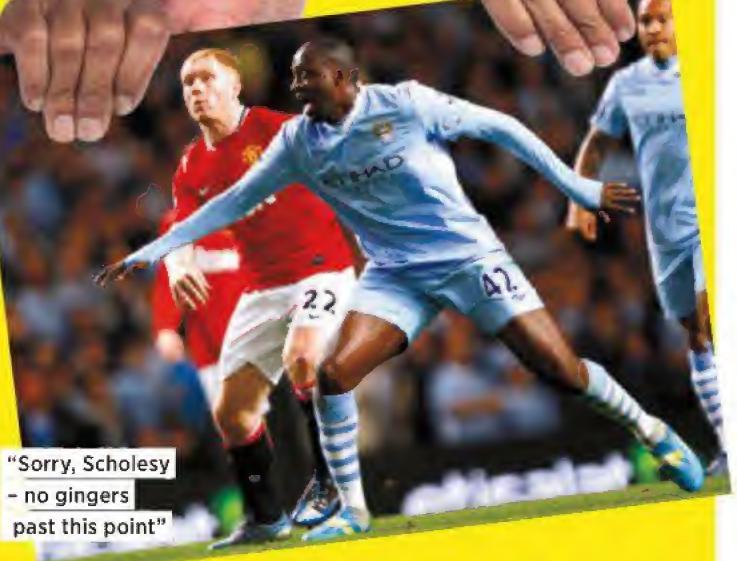

UNBELIEVABLY BAD!

DUD DIVES!
I say it all the time, but if you want to stop refs booking players for diving when they're innocent, just get an ex-pro to show them what a dive looks like. It's simple!

THE BIG MATCH!

"Sorry, Scholesy - no gingers past this point"

An expanded Champions League? No thanks, Uefa!

IT SEEMS that Uefa are looking into the possibility of making the group stages of the Champions League even bigger than they are now by bringing in lower-placed teams and getting rid of the Europa League altogether.

The Uefa Cup was a great competition but the new league format makes many of the games pointless. As far as I'm concerned, this new Uefa initiative risks doing something similar to the Champions League.

Man City vs Man United

9 DEC, 1.30PM • Sky Sp1/HD

I'm going to sit firmly on the fence on this one. After last season's two Premier League defeats against the eventual champions, I'm sure that Sir Alex Ferguson will be happy enough if he comes away from the Etihad Stadium with a draw.

KAMMY'S PREDICTION 1-1

Key man

Man United keeper David de Gea's still very young – if he's selected he'll be under a lot of pressure from the start.

Time to give managers right to appeal!

I WAS talking to Reading boss Brian McDermott, who thinks managers should have the right to appeal to the ref twice a game. The boss would go to the fourth official with a request for an appeal, then they'd look at the footage and if he has a case, the decision can be changed. We have the technology – let's use it!

THE NUTS LIP-READER
